- A veterinary certificate, issued within fourteen (14) days immediately prior to the date of the test, must be submitted for each dog on the day. It shall cover such things as the general fitness, temperature, standing heart rate, condition of the pads and muscle tone of the dog. For bitches the certificate is to state also that the bitch is not in whelp. A form is available with entry on Show Manager or by email request.
- The Endurance Test is open to dogs of all breeds that are ANKC registered (main, limited or associate register), whose owners and handlers are members of Dogs Victoria or other State ANKC affiliate.
- Dogs must be over two (2) years of age and no older than eight (8) year of age.
- The handler may jog the distance, ride a push bicycle (or one powered by battery), provided the required speed is maintained (please indicate chosen option on entry form). If the handler is not the owner, they must be a member of Dogs Victoria or other state affiliate and the handler's membership number included on entry in the comments section on Show Manager or the prescribed entry form. Please note that the venue is not suitable for trikes due to narrow bollards on the bridge which is part of the course.
- All entrants who choose to ride a bicycle must wear a high-visibility vest, closed shoes and suitable safety helmet to comply with the State traffic laws. All bicycles must be in roadworthy condition.
- If you plan to run with your dog, the required speed will be 10km per hour for the duration of the course. If you are unable to maintain this pace for the test, please consider alternate options per the above.
- Dogs must remain on a lead long enough to be held in either hand at all times and wear a suitable fixed collar or harness only. Check chains, slip collars, muzzles or head control collars are not permitted. Dogs will be required to run on the left-hand side of the bicycle or runner.
